(c) whether the C.M.C. has introduced the enhanced rates uniformally; and

(d) if not, the reasons therefor?

THE MINISTER OF STATE IN THE MINISTRY OF CHEMICALS & FERTILIZERS AND MINISTER OF STATE IN THE MINISTRY OF PARLIAMENTARY AFFAIRS, DEPARTMENTS OF ELECTRONICS AND OCEAN DEVELOPMENT (SHRI EDUARDO FALEIRO): (a) There has been no increase in the maintenance charges of

computers for the customers of CMC Limited after January, 1992 when these were last revised.

(b) to (d) In the year 1992, the increase in maintenance charges for the imported machines was based on the period of the agreement as given below:

Year of signing maintenance agreement	Percentage increas in Annual charges
1990 or later	15
1989	20
1988 or earlier	25

For indigenous equipment, there was an increase of 20%.

These figures represent the upper limit of percentage increase which were implemented. The actual rates were finalised after negotiations with the customers and it was not feasible to uniformly apply the revision because CMC Ltd. had to be open to customer requirements and business considerations keeping in view the total business with specific customers and factors like usage and type of the system, criticality of the applications etc.
